

Express Referral[®]

Referrals to non-participating specialists must be preauthorized by PacifiCare/Secure Horizons. Specialty care received from a non-participating provider will not be covered without preauthorization from PacifiCare/Secure Horizons. To validate specialist participation, please contact the PacifiCare/Secure Horizons Customer Service Department.

**Members should present this Express Referral[®]

Comments:

No referral is required for specialty care visits to participating, in-network OB/GYN providers.

Some specialty services require precertification. The treating specialist is responsible for obtaining precertification when necessary. Please refer to the PacifiCare precertification list.

Some contracted physician organizations may not participate in the Express Referrals® program, opting to utilize their own referral processes. To find out if a primary care physician is affiliated with a physician organization that does not participate in Express Referrals® please contact Customer Service.
